GOTS - OKAY COTTON
 100% organic cotton by GOTS Sustainable Textile methods certified and inspected by Control Union. The aim of the standard is to define requirements to ensure organic status of textiles is made using organic raw materials and environmentally and socially responsible methods. Licence no: CU810963.

EU ECO-LABEL - OKAY ENVIRONMENT
 The official EU label for Greener Products. Eco-labelled products have comparatively modest impact on air, water, soil, quality, natural resource consumption, global warming and biodiversity. Products must pass rigorous environmental fitness tests, with result verified by an Independent body. The label adorns top-performing product only. Licence no: DK/16/049.

FAIRTRADE - OKAY PRICES
 The Fairtrade Certification Mark is your independent guarantee that the cotton in this product has been certified in accordance with international Fairtrade Standards - www.info.fairtrade.net. The cotton farmers are paid a fair price. The environment is protected as much as possible. The farmers decide democratically how to invest in social projects in their community. Licence no: 19007.

SA 8000 - OKAY WORKING CONDITIONS
 SA8000 measures the performance of companies in eight key areas: Child labour, forced labour, healths and safety, free association and collective bargaining, discrimination, disciplinary practices, working hours and compensation.

WINDMILL - OKAY ENERGY
 Wind power is the main power source at the facilities providing four times as much energy as actually used. The surplus is sent to the network for the benefit of local communities and reduces CO2.

OEKO-TEX - OKAY TEXTILES
 Oeko-Tex 100 Standard comprehensively addresses the Human Ecology component of textile products. It evaluates and screens for any harmful substances present within processed textiles, which are intended to come into contact with consumers. Licence no: ZHGO 034436.
